May is Mental Health Awareness Month

Since 1949, Mental Health America and our affiliates across the country have observed May is Mental Health Month by reaching out to millions of people through the media, local events, and screenings. We invite other organizations to join us in spreading the word that mental health is something everyone should care about.

Canoe Trip and Glamping!
June 26-27

It's time to reunite with your friends from Fish Lake! This is a one night canoe trip down the St. Croix. We will leave immediately following worship on Sunday, June 26 and carpool down to the Rush City Ferry Landing where we will get our canoes. We canoe for 8 leisurely miles down to Sunrise Ferry Landing where our food, sleeping bags, and tents will be waiting for us. We camp out for one night and finish at Wild River Landing the next day.

There is no cost! It's free! Bring a friend!

What can you look forward to...

- Time in nature to reset your mind and spirit
- A chance to grow in your faith and ask questions
- Community building
- Worship by the campfire
- Outdoor activities and games
- Great summer memories
